

GREATER MIAMI USBC ASSOCIATION, INC.
YOUTH SCHOLARSHIP APPLICATION INSTRUCTIONS
2023

Applications for one-year (\$1,000) scholarships are available from GMUSBC (the Association).

Applications must be returned to the Association no later than July 31st, 2023. Applicants will receive notification of receipt. It is the applicant's responsibility to contact the Association if they have not received confirmation within 10 days of turning in the application.

Recipients of the scholarship are to be selected at the July or August GMUSBC board meeting.

The Association Manager will notify scholarship recipients as soon as possible. Scholarships will be deposited into the individual bowler's SMART account.

As per current SMART guidelines, funds may be used for tuition fees, on campus meal plans, on campus housing plans, textbooks, required class supplies, and equipment necessary for the completion of a course or program as required by the school of choice. For complete guidelines, please refer to www.bowl.com.

In the event a recipient has been awarded scholarships from other sources, he/she will still be entitled to the Association scholarship of \$1,000.

Scholarships are open to all graduating high school seniors and college students who are USBC sanctioned youth bowlers in Greater Miami at the time of the application.

Re-application may be made and granted provided a recipient maintains a 2.0 GPA for the year, and as long as funds are available.

Each application for the scholarship must include the latest high school/college transcript available at the time of application, and an evaluation by a youth coach or proprietor.

Also, a typed or printed essay of 200 words or more is required. The essay should pertain to why an applicant wants to attend a post-secondary school and what their future plans are.

Applicants may receive this scholarship a maximum of two (2) times.

Incomplete applications will not be considered.
